Welcome to Huadu

— Since 1992

Luoyang Huadu Furniture Group was founded in 1992 . It specializes in producing series of steel furniture products, such as file cabinets, safes, compact shelves, lockers, bookshelves, desks, school equipment and warehouse shelves etc.

During the past nearly 30 years, Huadu factory has won numerous visiting from wholesalers, retailers, end users etc. With fashionable appearance design, high cost-effective furniture products, and professional team and service concept, Huadu has become the powerful famous brand in China.

Company profile

We adhere to an attitude and a high craft level. The best quality of of Huadu product is achieved by Huadu People one step by another. Huadu's current reputation is the reflection of Huadu People's devotion.

Huadu Production Strength

DAILY PRODUCTION CAPACITY 1000PCS

MODERN CNC PRODUCTION EQUIPMENT

High efficient and quality production in Huadu

Advanced CNC equipment, such as laser cutting machine, automatic welding machine, plate cutting machine, punching machine etc, ensure mass quantity production and also meet the need of personalized customization.

RICH EXPORTATION EXPERIENCES

Huadu Furniture Group has passed the authority certificates, such as ISO9001, ISO14001, BSCI, BIFMA, SGS, TUV etc since establishment. Our office furniture has been exported to more than 100 countries and areas. Unique patent front frame knock down structure has been recognized by numerous overseas customers. At present, Huadu is known for high efficient good quality steel office furniture production, and also highly personalized customization service.

CLASSICAL
THIN LINE FILE CABINET

Feature of Product

- Thin line frame design.
- Front frame KD structure, transport and assemble easily.
- Aluminum alloy handle and mechanical lock, durable, high safe.
- Laser cutting circle angle glass.
- Adjustable shelf, 60kg loading for each.

Smart mobile shelving

File management

Disorderly storing, orderly management.

Safety management

Infrared ray, video monitoring, and access control management can ensure the file safe completely.

Smart management

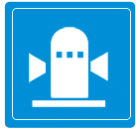

Equipped with temperature and humidity control integrated machine.

Convenient operation

This smart system can be controlled by computer, touch screen, iPad and other mobile APP.

SMART MOVABLE ARCHIVING SHELVES

File warehouse safety management system

- **Video monitoring system**
All day long video monitoring function, intelligent video capture and alarm
- **Infrared anti-theft alarm system**
All day long infrared video detection and protection, advanced alarm processing function, intelligent video capture alarm
- **Access control system**
In accordance with the technical specification of security, set up the alarm function of disassembly machine for all the recognized users

Intelligent file storage management system

- Into or out of the warehouse: disorderly storing, orderly management
- Supporting district management, Database backup and recovery

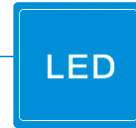

Bar code management

- System integrated file management function, management log, automatic inventory error correction, catalytic, Excel import function
- Intelligent light guidance, voice prompt, automatic opening, and ventilation

File warehouse fire safety system

- Smoke induction detection system

Warehouse led screen guidance image display

- Convenient for managers to keep abreast of the situation in the warehouse in real time

Intelligent environmental management system

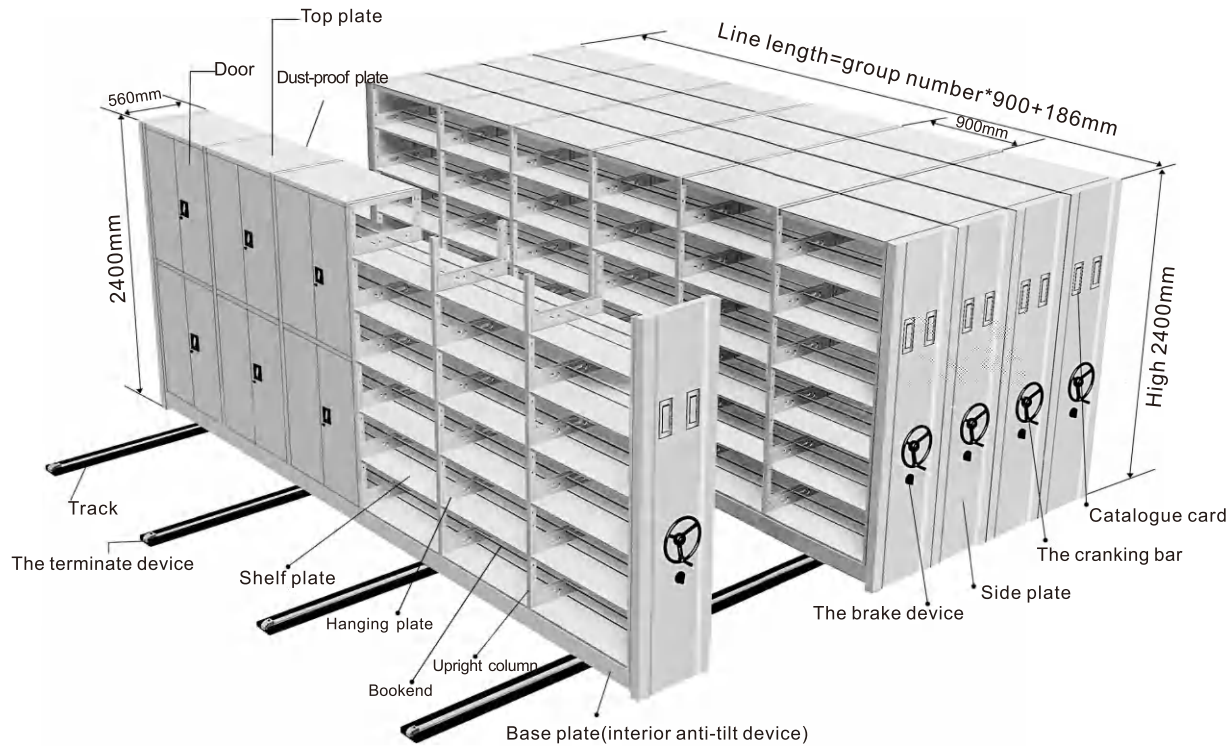

- Wireless intelligent environment sensor
- Constant humidity disinfection and purification machine
- District smart controller
- Intelligent air conditioning control

Body safety protection

- External protection function of frame
- Anti-dumping protection function
- Leakage protection function
- Anti-extrusion and protection function
- Overload protection function
